July 2024, Vol. 24, Issue 5

President's Message:

Come share your heat misery stories at our July meeting. This July 20th. the usual Third Thursday of the month. Join us at the Bend Builders Assist hanger, 63030 Powell Butte Road, on the south west corner of KBDN, at 6pm. Bring your own dinner, and we'll eat right away before food get cold. As always, many thanks go out to Mike Robertson, and Mike Wissing, for letting us use their space.

John Foster reports he just passed Rock Springs (DA 9,600) headed for Oshkosh.

Airshow of the Cascades:

Bad News: the Sport Class Air Races are off. \$40,000 for insurance was a bit too much.
Good News: the Golden Nights are back on, plus an F-15 Fly-by!

FAAST Team:

Our own Jay Bunning is now on the FAAST Team. Jay reminded me that a part 91 pilot need not carry current charts on board a flight. But he better have a real good excuse if he makes a mistake that a current chart could have prevented!

Calendar:

8 July – Monthly Meeting
20 July – Monthly Fly-out

15 August – Monthly Meeting
17 August – Monthly Fly-out
23-24 – Airshow of the Cascades
31 Aug/2 Sep – Oregon International Airshow

June Fly-out:

John Foster and Ken Fayal report: We had 3 planes/4 pilots from Bend, fly to Cottage Grove on Sat. June 22. (Ken Fayal in his Cherokee, Fred Berrardo in his Grumman, and myself in my Beech Sierra) Kim Joined me for the trip. As we arrived, we were surprised by Mike Rhodes who flew in to join is from Independence!

Clear weather both directions – except it got a little bumpy flying back into town. It was hot, they had only one food truck (captive audience) but it was a good day for a flight.

The comment period for the 2nd draft of the new Proposed Rules and Regulations has closed. Almost all the original comments were still valid. No feedback from the city on the second round yet. Prineville Airport thanks us for sending so much old and new business to them.
