September 2024, Vol. 24, Issue 7

President's Message:

2,000,000 million acres have burned in Oregon, so far, this year. The previous high was 1,140,000 acres in 2020. Come to our meeting and share how this has affected your flying this year, and going forward.

This third Thursday of the month, September 19th, come join us at the Bend Builders Assist hanger, 63030 Powell Butte Road, on the south west corner of KBDN, at 6pm. Bring your own dinner, and we'll eat right away before food get cold. As always, many thanks go out to Mike Robertson, and Mike Wissing, for letting us use their space.

Jordan Chicken Run:

Sunday September 22nd is the 90th Annual Jordan Chick Run! The event includes Gillette Field (OR51) a nice 2,800 foot long wide grass runway. This time of year it will have little grass and be a hard surface. Perfect for those that are not comfortable with grass strips. Unicom is on 128.9. All you can eat chicken dinner, starting at 10:30am, until about 2pm. Lots of airplanes will fly in, plus a car show, craft vendors, and more.

The City made a few changes in response to some complaints, but the majority of the proposed rules changes have now been approved in spite of numerous complaints. Sigh...
