November 2019, Vol. 19, Issue 11

## **President's Message:**

The last monthly CO-OPA meeting of 2019. This third Thursday, November 21<sup>st</sup>. What a year it has been, with crazy season just around the corner. Be sure to adjust your calendar to remind you of the EAA Holiday Party on December 11<sup>th</sup>, 5pm at the Bend Black Bear Diner.

This month we'll meet in the Bend Builder's Assist. The street address is 63030 Powell Butte Hwy (on the south west corner of the airport).

Many thanks to Mike Robertson allowing us to use his space. Bring something yummy to share at our 6:30pm potluck. Then we will finish up a short informal meeting a 7pm.

The weather for Thanksgiving week is nasty, but our Fly-out day looks good: few afternoon clouds, mostly sunny, light winds.

## **Gone, but not Gone:**

November 20 was Gary Judd's last day as KBDN Airport Manager. Under Gary's management the airport has grown to the 3<sup>rd</sup> busiest airport in the state. The busiest with no control tower. Thank you Gary for your hard work. Enjoy your retirement! Maybe you'll have time to do more flying?

## **Calendar:**

21 November – Monthly Meeting  
23 November – Monthly Fly-out

11 December – EAA Holiday Party

16 January – Monthly Meeting  
18 January – Monthly Fly-out

## **October Fly-Out++:**

Our October Fly-out only got as far as the new Bend Cracker Barrel. At least we got to talk about flying.

We made up for it with an extra Fly-out on Nov 16, with the local EAA 1345, to Christmas Valley. Blue skies, light winds, four airplanes and 10 wonderful people.

I was lucky enough to have a non-pilot along. It was fun to see him see China Hat, Christmas Valley, Fort Rock, Hole in the Ground and the upper Deschutes River from the air for the first time.
